EXPERIENCE

Latigo Creative

Graphic Design Intern | *June 2026 - July 2026*

- Collaborated with diverse client brands to research, develop, and refine creative concepts, translating brand identities, audiences, and project objectives into cohesive visual designs and creative solutions.
- Designed packaging, product graphics, and branded assets, refining creative concepts through collaboration and feedback to deliver cohesive, high-quality, production-ready designs.

The Wellness Society

Apparel Product Design Intern | *March 2025 - March 2026*

- Led end-to-end product development and sourcing, collaborating with overseas manufacturers to bring seasonal merchandise from concept to production while balancing quality, cost, and brand standards.
- Partnering with executives to develop seasonal collections, creating technical design files, product specifications, and production-ready assets in Adobe Illustrator and Photoshop.

Victoria Anne Studios

Freelance UI/UX & Graphic Designer | *August 2022 - Present*

- Manage end-to-end client projects across UI/UX design, branding, and website development, creating user-centered digital experiences and cohesive visual identities tailored to client goals.
